OUR EMPLOYEES ARE VACCINATED, YOU ARE WELCOME TO A SAFER CAR BUYING EXPERIENCE. WALKIN NOW !

EXCITEMENT, LIKE NEVER BEFORE.

If your need for extreme fuels your soul

If your desire for adrenaline powers your passion

If your search for thrill makes you exceed your own limits

Then look no further as the all-new Swift is here

Get ready to experience a new level of excitement.

Get ready, for The Swift.

Precision Cut Two Tone Alloy Wheels

DESIGNED TO THRILL.

When it's about excitement and sheer road dominance, the Swift certainly knows how to make its presence felt. Its Floating Roof Design, solid shoulder lines, rich side body sculpting and Precision Cut Alloy Wheels, all unite to create a machine that's simply crafted to thrill.

*Black glass on the vehicle is due to lighting effect.

LED Projector Headlamps with DRLs

LED Rear Combination Lamps

Electrically Foldable and Adjustable
ORVMs with Turn Indicators

The Signature LED Daytime Running Lamps (DRLs) paired with LED Projector Headlamps and auto lighting mechanism lends Swift the confidence to be unstoppable. The Aggressive Front Grille and the Muscular Front Fascia amplify its overall active and dynamic personality.

Aggressive Front Grille

Driver Oriented Cockpit Design

STYLED TO BE SPORTY.

The Driver Oriented Cockpit Design boosts the overall drivability of the Swift. The interior design innovation tilts the operational components towards the driver, thus maximising the level of control the driver can enjoy while chasing adventures.

Leather* Wrapped Steering with Flat Bottom Design

Bolstered Seats for Enhanced Comfort

Expanded Boot with 60:40 Split Rear Seat

All black interiors combined with Urbane Satin Chrome Finish enhance the overall sporty appeal of the Swift's interiors. The cabin is equipped with well-bolstered front seats for greater comfort, even during sharp turns.

Sporty and Spacious Cabin

*Certain parts of the leather upholstery contain man-made material.

Push Start-Stop Button

Steering Mounted Audio Controls

Automatic Climate Control

Smart Key

DRIVEN BY TECHNOLOGY.

The new and intuitive Smartplay Studio gives you the power to connect, navigate and get entertained as you chase new adventures, all by using the Steering Mounted Controls or by simply commanding it using your voice. This makes the Swift unmistakably futuristic. The Automatic Climate Control keeps the Swift comfortable on the inside, even when things get extreme and pulsating outside.

Smartplay Studio

AUTOMATED FOR EASE.

The advanced Auto Gear Shift* (AGS) Technology available in petrol variants, lets you switch between automatic and manual mode. With no requirement of a clutch pedal, AGS offers ease and comfort of driving without compromising on fuel economy.

Auto Gear Shift Technology

*The AGS Technology is available in Vxi, Zxi, Zxi+, variants only.

POWERED TO THE CORE.

1.2 L VVT Engine

The powerful VVT Petrol Engine in the Swift is engineered to deliver an unmatched driving experience. The performance delivered by the powertrain makes the Swift a machine that's capable of outperforming every challenge, every time.

SAFETY LEVELLED UP.

From Dual Front Airbags to ABS with EBD, the Swift packs a host of safety features that make sure it's always ready and secure. The all-new Heartect Platform employs High Tensile Steel at all the right places to improve the overall safety, rigidity and NVH performance of the Swift.

Front Dual Airbags

Reverse Parking Sensors with Camera

ABS with EBD and Brake Assist

IsoFix with Child Seat Restraint System

As certified by Test Agency Under Rule 115 (G) of CMVR 1989.

Maruti Suzuki India Limited reserves the right to change, without notice, price, colours, equipment specifications, and models and also to discontinue models and/or replace any part or accessory with any product. Accessory and feature shown in the pictures may not be a part of standard equipment and will differ according to the variant. Any offers made will be subject to availability of the product. For more details, contact your nearest store. ** Spare wheel material is steel and spare tyre size is 165/80R14. *The speed alert system gives audible warning for alert of over-speed to driver. When vehicle speed exceeds about 80 km/h, primary level warning with two beeps will sound every minute. When the vehicle speed exceeds about 120 km/h, secondary level warning with continuous beeps will sound. If the vehicle speed is slowed down to about 118 km/h, primary warning will resume. If the vehicle is slowed down to about 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle.
